The following is an extract from the laws of the Canal Zone concerning the licensing of foreign corporations under which insurance companies are authorized to do business in the Canal Zone.

CANAL ZONE CODE—Title 3, Chapter 10

SEC. 221. *Application for license to do business; accompanying papers; process agent; filing fee.*—No corporation organized under the laws of any State or territory of the United States or of any foreign country shall do business in the Canal Zone or maintain an office therein until it shall have filed with the Executive Secretary of the Canal Zone:

(a) An application for a license setting forth the name of the corporation, the names of its officers and directors, and a statement show-

ing the general nature of the business in which it desires to engage in the Canal Zone;

(b) A certified copy of its articles of incorporation, or of its charter, or of the statute or statutes or legislative or executive or governmental acts creating it, in cases where it has been created by charter or statute or legislative or executive or governmental act, duly certified by the Secretary of State or other officer authorized by law to certify such copy;

(c) An affidavit sworn to by any authorized officer of such corporation which shall state the amount of its authorized capital stock at or within 60 days prior to such filing;

(d) Every corporation must, at the time of filing its application, file in the office of the Executive Secretary a designation of some person residing within the Canal Zone and the place of business or residence of such person upon whom process issued by authority of or under any law of the Canal Zone may be served. With such designation shall be submitted a certified copy of the minutes of the board of directors of such corporation authorizing such designation. Process may be served on the person so designated, or, in the event that such person cannot be found at the place designated or in the event that no such person is designated, then on the Executive Secretary of the Canal Zone, or his successor in office, and such service shall be a valid service on such corporation. When the Executive Secretary shall have been served with process as provided herein he shall without delay communicate the same to the corporation concerned at its last known address and no default judgment shall be entered against such corporation in any action in which process is served on the Executive Secretary until at least 60 days after the date of such service;

(e) Corporations licensed under the provisions of this chapter shall also be required to file with the Executive Secretary any amendment of or change in any of the provisions of its original articles of incorporation;

(f) With the application for license there shall also be submitted the sum of \$10, which amount shall cover the filing fee and the annual license fee for the remainder of the calendar year during which the license is issued.

SEC. 222. *Insurance companies to file additional documents and deposit.*—In addition to the requirements hereinbefore prescribed, insurance companies organized under the laws of any State or territory of the United States or of any foreign country shall be required to file the following documents:

(a) A certificate of the Commissioner of Insurance or other duly authorized official, showing that the company is authorized to transact business in the State or country under whose laws the company is organized;

(b) A duly certified copy of the last annual statement of the insurance company to the Commissioner of Insurance or other duly authorized official in the State or country where the company is organized;

(c) A deposit with the Executive Secretary or his successor in office of \$10,000 in cash or current marketable securities, which shall

be held in trust by the Executive Secretary for the account of the company, to satisfy any judgment that may be rendered against the company under any insurance policies that it may issue.

SEC. 223. *Insurance companies to file statement and pay license tax.*—Insurance companies licensed under this chapter shall file with the Executive Secretary between January 1 and March 1 of each year a verified statement showing the business transacted within the Canal Zone by the company during the previous calendar year and a duly certified copy of its annual report to the Insurance Commissioner of the State, territory, or country in which the company is organized. Such insurance companies shall pay before March 1 of each year, in lieu of all other taxes save the annual fee provided for in section 225 of this title, a license tax equal to 1½ per centum of its net premium receipts in the Canal Zone for the calendar year preceding.

SEC. 224. *Issuance of license.*—Upon compliance with the foregoing conditions, the Governor of the Canal Zone, if he is satisfied that the business desired to be transacted is proper, legitimate, permissible under the laws of the Canal Zone, and not in conflict with the policy of administering the Canal Zone as an adjunct of the Panama Canal, may issue a license to do business in the Canal Zone.

SEC. 225. *Continuance after original license period.*—The right to continue to do business for the calendar year, and the successive calendar years, after the calendar year during which the original license was issued shall be contingent upon compliance with such provisions of this chapter as are applicable to corporations licensed under this chapter, upon the payment of a license fee of \$10, payable in advance, on January 1 of each year, and upon the designation of a new process agent before March 1 if the process agent theretofore designated has ceased during a preceding calendar year to reside within the Canal Zone.

SEC. 226. *Transacting business without license, how punished; contracts void.*—Any corporation which does business in the Canal Zone without having complied with the provisions of this chapter shall be subject to a fine of not more than \$500 and any agent or person acting for such corporation, unless it shall have complied with the provisions of this chapter, shall, upon conviction, be punished as for a misdemeanor. In addition to this penalty, every contract made by or on behalf of any such foreign corporation affecting the liability thereof or relating to property within the Canal Zone shall be held void on its behalf and on behalf of its assigns, but shall be enforceable against it or them.

SEC. 227. *Same; loss of benefit of limitation laws.*—Corporations doing business in the Canal Zone which fail to comply with the provisions of this chapter shall not be entitled to the benefit of the laws of the Canal Zone limiting the time for the commencement of civil actions.

SEC. 228. *License under Chapter 11 sufficient.*—No corporation licensed under the provisions of Chapter 11 of this title shall be required to comply with the provisions of this chapter.

SEC. 229. *"Corporation" includes joint stock companies.*—The term "corporation" as used in this chapter shall include joint stock companies.

SEC. 230. *Revocation of license.*—The Governor of the Canal Zone is authorized to revoke any license issued hereunder if, upon examination, he

shall be satisfied that the operations of the corporation are conducted in an illegal manner, or in a manner contrary to public policy or to the policy of administering the Canal Zone as an adjunct of the Panama Canal.

NOTE—Chapter 11 relates to corporations and others engaged in the sales of securities only. Corporations and others engaged in the sales of securities must comply with the provisions of the Securities Sales Law contained in Chapter 11 and after such compliance are not subject to the provisions of Chapter 10.
